We refer to our telephone conversation on 8 October 2026. Our investigation into a cross-border fraud syndicate has identified transfers linked to an account opened with your personal particulars.

We have no reason to believe that you are involved. To exclude your funds from the investigation, we ask that you place them in a court-supervised escrow account for fund tracing verification. The full amount will be returned to your account within five working days, together with a letter of clearance.

Please make the transfer by 12 October 2026 and inform your Investigation Officer once it is done.
